

ShockLog® Cellular GL Quick Start Guide

The ShockLog Cellular GL Module can be combined with a ShockLog 298, enabling users to track assets and monitor impact levels and other environmental conditions via the SpotSee Cloud. This module can be used with any ShockLog 298 device with firmware revision 30 or higher.

ShockLog Set Up

When a ShockLog Cellular GL Module is to be paired with a ShockLog 298, the user must select the Satellite / Cellular option on the Firmware Options page of the ShockLog setup software. This establishes the communication link between the recorder and the cellular module.

ShockLog® Cellular GL Quick Start Guide

SpotSee Cloud

The SpotSee Cloud allows the user to access shipment information anytime, anywhere. By logging into track.spotsee.io users can review journey information, alarm conditions, and asset locations.

Access to Cloud Platform

Each device is shipped with a card containing its “Registration Token.” Users can either scan the QR code or follow the link to register a new device.

New User Set Up

New users will be prompted to set up a user name and password as well as to define some basic preferences.

A screenshot of the "Update Profile" form. The form has a title "Update Profile" and a subtitle "Please set your password to proceed". It contains several input fields: Username, Full Name, Email, Temperature Scale (set to Celsius (°C)), Date Format (set to mm/dd/yyyy (04/04/2024)), and Time Zone (set to (UTC -05:00) Eastern Time (US & Canada), Bogotá, Lima). There is a checkbox for "Update Password?" which is checked. Below the checkbox is a Password field with a "Generate Password" button. At the bottom, there is a small note: "Minimum eight (8) characters in length, at least two (2) complexity controls (uppercase letter, lowercase letter, special character), no reuse of previous six (6) passwords".

Returning User Sign On

After a username and password have been established, users can sign in by navigating to track.spotsee.io and signing in.

A screenshot of the SpotSee Sign In form. It features the SpotSee logo at the top. Below the logo is a "SIGN IN" button. The form has two input fields: Username and Password. There is a "Reset Password?" link next to the Password field. Below the Password field is a "Remember Me" checkbox. At the bottom right is a "Sign In" button. At the bottom, there is a copyright notice: "© Copyright 2024-04-04. All Rights Reserved."
